"Fram the Editar"

Yearbaak editar, big Jab? Yes, and I cannot say that I was not aware af that fact when I agreed to assume the position. As a section editar on the 1982 book, I had enjayed working with the staff and seeing the result of our cambined labors bound and distributed among the students of this school.

I remember well the lang haurs and the late nights that became early marnings. I accepted the challenge and the respansibility.

With a willing staff and same trepidation we began ...

TM.

The stoff of the 1983 Cordinol Yeorbook would like to express its thanks ond grotitude to oll those who have contributed to the production of this book:

GEORGE MAYBURY-DIRECTOR

The teacher is literally the keystone of any organized society. His product, always hard to visualize, is the disciplined intelligence which fills the ranks of the professions and of business and industrial management. In no capacity have "best minds" made a more valuable contribution to American life and progress than on the college and university faculties.

It's Greek to me . . .

Out of all of the organizations on the Plattsburgh State campus, there is a group of ten organizations that always stand out. These people are the Greeks.

There are presently four Fraternities, five Sororities and a group of representatives from each that form the Interfrat Association. The Interfrat Association works to form unifying bases so that all of the Greeks may join together to better themselves and the

campus.

Aside from being known for having parties and sponsoring beer blasts downtown, or proudly wearing their colors, Greeks are active in both on and off campus activities. As for the on campus participation, Greeks may be seen working at track meets, involved in dorm councils, as R.As, and holding offices in other forms of student government—all of which show the interest they have in bettering this school.

Greeks are also known for their enthusiasm in off campus activities which range form working for a long list of worthwhile charities to donating time to the area

hospitals and nursing homes.

Becoming a member of a sorority or fraternity is a very important time during which bonds are formed and traditions are learned. This period is known as Pledging and it lasts for three or four weeks depending on the Greek organization. When a person finally finishes this testing period, feelings of relief, satisfaction and happiness are felt and are celebrated by all.

The interest in and the strength of the Greeks is always increasing and the friend-

ships that are formed never stop growing.

ПАМ

Pi Alpha Nu is the oldest fraternity at Plattsburgh State, established in the fall of 1957.

Pi Alpha Nu is a high spirited fraternity that stands up for its ideals. Our fraternity's aims are to promote high standards of scholarship, character and fellowship. This brotherhood maintains these aims through its social activities and services.

Activities and services.
Activities of Pi Alpha Nu include parties both formal and informal and, happy hours and strong support for the United Way. Yet for all our partying, we still maintain one of the highest cumulative averages of any of the fraternities, producing Hudson Hall scholar Roger Abbot.

In seeking new members, Pi Alpha Nu is not necessarily looking for the star athlete, the social lion, or the brilliant scholar. We are seeking members who will be an asset to the fraternity and who feel that the fraternity can help them accomplish their individual goals.

who will be an asset to the fraternity and who feel that the fraternity can help them accomplish their individual goals.

Pi Alpha Nu is the leading innovator of pledging. We do not believe that pledging, as it exists, promotes our ideals of fineness of character and fellowship. We believe physical torment and public humiliation does not make a better brother.

Our pledging centers around a sharing of ideas between brothers and prospective brothers. We don't try to make one conform to our ideas, we use ones individuality to better ourselves.

Alpha Kappa Phi holds individualism as one of the most important aspects of sorority. As distinct personalities, we feel that by combining the various talents and interests of many, we can emerge as an effective constructive force.

With every new sister welcomed into Ago, a totally new experience happens for the individual and the group. There are many friendships, happinesses and even some disappointments involved in the sorority but each adventure is a learning experience.

AXP

The Sigma Tau Phi chapter of the National Fraternity of Al-pha Ghi Ro has just received its national charter making us the only national fraternity on the Plattsburgh campus. However, we are by no means newcomers to Plattsburgh State. Since 1966 we have been known as Sigma Tau Sigma. Our name has traditionally been associated with campus and community involvement, outstanding parties at our house, which is located at 147 Brinkerhoff Street and in-tramural excellence.

During the past year, the crows have organized and participated in campus and charity fund raisers which netted over \$15,500. This unmatched record of community service led to our being awarded the Presidents Cup for the third consecutive year. We also were presented with 1st place, along with Theta Alpha Lambda sorority, for having the best overall float at this years Hamesoming Weekend years Homecoming Weekend. Our membership is open to

any male student attending SUNY at Plattsburgh. Once inside the doors of our house, you'll feel the enthusiant that all the brothers of Alpha Chi

Rho possess.

Theta Alpha Lambda is a sorority comprised of women all sharing the common bond of sisterhood, yet who are each uniquely individuals. Being a Thalian, to those outside the sorority, may seem to involve wearing a navy blue and gold sweatshirt, working at Beer Blasts every Thursday night, building a float for Homecoming weekend, having parties and banquets now and then, attending meetings, or doing a fundraiser for a local charity. Although these are some of the activities which the sisters participate in, there are many other facets which only a Thalian could attempt to convey. Theta Alpha Lambda strives to maintain its ideas of unity, friendship, loyalty, and cooperation to achieve success here at Plattsburgh State. We as Thalians, have strength through our sisterhood, and will continue to work together in harmony for success in the years to come.

THETA KAPPA BETA

The Theto Kappo Beta Fraternity started in 1959, founded by a group of Korean Wor Veterans. Since then it hos grown and decreased in number but never once did it slacken it's own respect for it's ideals. It strives for love between it's individual members, honor amongst other organizations on campus, and o faith in God that it's love will perpetuate the organization.

The BETAS hove been octively involved in college-community services, including Bi-Annual Blood Drive, Plattsburgh Earth Day (P.R.I.D.E.) the United Woy, The Heart Fund, The Cancer Society, and the Community Hospitol and County Nursing Home Services.

With our ever growing Brotherhood, the Beta's have been oble to establish a scholarship fund for its brothers, os well as contributing to the college foundation in an effort to help those students who are in need.

But most importantly, the BE-TAS are BROTHERS. And with our strength in our brotherhood, we will continue to grow in the future and to help our college community neighbors, and most importantly to help each other.

Alpha Delta Theta has been a vital organization at Plattsburgh State for 58 years. During this time we have been actively involved in community projects as well as those here on campus. Among these are an annual fund drive for the Heart Fund and visiting various homes and hospitals during the holiday season. We are also directly responsible for reviving the Interfraternal Council.

Being an Alpha Delta means expanding horizons. It begins with pledging a time of self discovery and continues through the years with increased social and civic awareness. Our ideals of sisterhood bond us to each other through good times and bad. Individuality, Unity, Respect.

To PSUC,

"We've come a long way baby!!" Today and everyday for the past 80 years, CLIO has flourished and offered PSUC a sorority that has continuously changed to fit the times. Each Clionian Pledge Class has brought with it uniqueness and freshness to add to our established traditions.

Today women have to be sharp if they're going to "make it" in the 80's. CLIO provides us with the means of achievements towards this goal. Together we grow while maintaining our strong individuality, and while enhancing our leadership and learning skills, as a group. CLIO has passed the test for 80 years, and has many more strong years ahead. May the warmth and glow of CLIO be with you always.

4th row — Mary Lynn Ackerson, 3rd row — Nancy Kelly, Donna O'Keefe, Jean Halligan (Pres.), Laura Strezenec, Laura Hofmaster, Rosa Gonzalez, 2nd row — Lynda Spina, Debbie Spina, Kim James, Ruth Zapp, Linda Di Tomassa, 1st row — Sue Ely, Tricia Livingstan, Kim Carlin, Beth Huntley, Missing: Deborah Filkins

SETTING OUT

We've lived those years of agony Set free from our old routine Let loose upon the wide big world Set out to find our path This world is like a puzzle and we are all a piece We're all set out to search and find where our piece fits. We've been helped by many along our way But now our time has come We must set out and find our way Our place in that big puzzle The wide world lies ahead We'll get lost and we'll be found New experiences lie ahead We will stumble along our way We cannot wait There's no more time Think to the future, but remember the past The time has come for us to set out.

— Krista Kanninen

FOR A FRIEND

Hanging out with a close friend, listening to tunes, feeling so close, so in touch, can there be anything more?

But somehow reality always creeps in, goodbyes must be said, we have different paths to follow, and soon I will be without you.

Good times, Bad times, the best of times,
I can never know anyone more,
for you are a part of me and I am a part of you,
different paths? maybe not really.

You'll always be in my heart, thoughts, memories
I can never be without you
without you something in me is missing
Goodbye friend? Never - I love you.

- Cathy Tracy

Man's youth is a wonderful thing: It is so full of anguish and of magic and he never comes to know it as it is, until it has gone from him forever.

- Thomas Wolfe

... With great shafts of horizontal fire thrown among the trees and along the grass as the sun lowers, give effects more and more peculiar, more and more superb, unearthly, rich, and dazzling.

- Walt Whitman

I shall pass through this world but once.
Any good thing that I can do, or any kindness that I can show any human being,
let me do it now and not defer it.
For I shall not pass this way again.

- Stephen Ghellett

Think freely. Practice patience. Smile often. Savor special moments. Live God's message. Make new friends. Rediscover old ones. Tell those you love that you do. Feel deeply. Forget trouble. Forgive an enemy. Hope. Grow. Count your blessings. Observe miracles. Make them happen. Discard worry. Give. Give in. Trust enough to take. Pick daisies. Share them. Keep a promise. Look for rainbows. Gaze at stars. Sec beauty everywhere. Work hard. Be wise. Try to understand. Take time for people. Make time for yourself. Laugh heartily. Spread joy. Take a chance. Reach out. Let someone in. Try something new. Slow down. Be soft sometimes. Cclebrate life. Believe in yourself. Trust others. See a sunrise. Listen to rain. Reminisce. Cry when you need to. Trust life. Have faith. Enjoy. Wonder. Comfort a friend. Have good ideas. Learn. Make some mistakes. Learn from them. Explore the unknown!

The Quiet Hours It is good to pause and rest awhile From life's demonding poce ... To leave the loud, Chaatic crowd And find a peaceful place, Ta put an the claak of quietness With heart and mind at ease, To sit with a friend At the long day's end And recoll fond memaries. And whether we tolk or whether we dreom, Yau'll find that in the end, Na treasure, though rore, Could ever campare With the quiet haurs spent with a friend. Borbaro Burraw

Old Friends
There is no friend like the old friend who has shared our morning days,
No greeting like his welcome, no homage like his praise;
Fame is the scentless sunflower, with gaudy crown of gold;
But friendship is the breathing rose, with sweets in every fold.

Oliver Wendell Holmes

LOST COMPANIONS

I connat believe them old, nar believe them dead. I see them young ond fleet, each buoyont head lifted ta dare oll ills, eoger ta mould on oge far finer, purer than the old. They were so blithe, so ignarant of dread.

I remember the doy we climbed, the twa who led to o summit, there to see the world outspread. I connat believe that for them the bell has tolled. I connat believe them ald.

Nar con I occept that an unmerited ablivion should swollow thase who wed their dreams to oction, who were all enrolled in the great game, compossionate and bald. I cannot conceive thase limbs untenanted, I cannot believe them ald.

DOORS

The doors close softly, one by one, at set of sun.

They close, and who shall count the sorrowful cost of keys, long lost?

There was a garden ance, beyond a door-A garden set with iris, and a pool
Silver and cool;
And one that opened on a floor
Of crumbling flogs, as dim and cold
As they were old.
A lamp flung lights and shadows on a woll;
I spoke and someone answered — that was all.
There was a door into a place of song,
A door that yielded to the coll of birds,
And little words
A child may dream of, all night long,
One led into a holy place,
That holds one face,
Where lighted condles burn, and common things
Go wropped in sudden glory, and with wings.

Is life a garden, and a lighted wall, And that is all? Or shall we seek farever, as before, Another door?

OLD HOUSE PLACE

Although the hause is gane, how well I knaw
This place has held a house the way a hand
Can hold a bird, the sky on ofterglaw
of sun that has receded from the land
Except far diamands in a windawpane.
No need to prove that there were people here
By broken china, rusted weatherpane —
A ghost of habitation havers near,
A house has same enduring quality
That marks its site after the walls are downed.
It seems that each damesticated tree
Protects this acre of deserted ground,
Against encroachment from the spreading grove,
Remembering that ance it sheltered love.

VIGIL

No ane will ever really know Where I came from nor where I ga.

This is not I, this body's mold, The hair that you tauch nor the hands you hald.

A vaice ta hear and a face to see These are the autward signs of me.

Came clase, come clase, come near, come near, I am keeping a vigil here.

Here is a little hause of clay Something is now that will go away.

Something leaping and samething light To ga like a flame an a windy night,

Ta ga like a flame in a windy sky, O this is I, this is I!

Mens Soccer

With 16 of 18 roster players returning from last years 12-3 NCAA playoff team, the Cardinal Mens Varsity Soccer team sought to once again establish itself as a soccer power in New York State.

Led by a highly touted and skilled group of veterans and a promising crop of freshmen, the 82 Cardinals had high hopes of achieving their goal of the SUNYAC crown and an NCAA playoff birth.

The season proved to be long and frustrating as once again the Redbird booters were denied their goal. Nagging injuries to key personnel and the loss of Asst. Goach Jim Andrews late in the season are only a few of the obstacles the Cards had to overcome.

Although they did not reach their gaal, their season was far from unsuccessful. With a regular season record of 10-5-1 the Redbird booters received an ECAC playoff invitation. The tournament was held at Plattsburgh's own Cardinal Field. The Cards advanced to the final after defeating rival Clarkson College. In the final vs powerful Alfred, the Cards dropped a 2-1 double overtime decision.

Several Cardinal players received post season honors. John MacDonough repeated as an All-American selection and forwards Jamie Parra and Donovan Scott received SUNYAC honors.

Women's Soccer

The 1982 Soccer outlook is deemed an optimistic one by third year coach Sue Viscomi. The Lady Cardinals are looking to match or better last season's 11-2 regular season record and fourth-place finish in the State Championships, with nine players returning from last year's squad.

The team played well throughout the season and wound up with a 10-2-1 record, which was good enough for them to receive the fifth seed in the New York State AIAW Championships.

In the opening round, the Redbirds defeated Ithaca College 2-0. They then moved on to play the top seeded team, Hartwick College. The Lady Cards were defeated 1-0 by Hartwick in a very tightly fought match. The Cardinals did regain their composure in time to defeat Colgate in the consolation match. Coach Viscomi said, "They all played well together. Though successful this year, the Cards will be looking to tighten a few areas for next season. Only two of the team's members are seniors this year, so virtually the entire team will be back.

Men's Tennis

The 1982-83 Men's Tennis team will be attempting to improve upon last year but will be hard pressed to duplicate its excellent 5-1 dual match record of 1981 when the team upset McGill, R.P.I. and St. Michaels. The season's outcome may depend upon the quality of incoming recruits to fill three vacancies in the first six singles positions and to reconstitute two of the three doubles teams also affected by graduation. The team will be led by Jon McAnney and Sadik Sendich, the #1 and #2 singles players.

The 1982-83 Women's tennis season was one of rebuilding. First year coach Vaughan Brown had her work cut out for her with only 3 players returning. Coach Brown said, "I spent the season encouraging the players to get used to playing competitive tennis." Coach Brown saw hope for a winning team next year.

Women's Volleyball

The Lady Spikers opened their season impressively with dual victories over Glarkson and Russell Sage this year. At the start of the season the team standouts, Kangas, Benck, Esposito, Glarke, foreshadowed the strong imput they were to have on the team.

Esposito, a sophomore, continued to shock the other teams with her stinging spikes and strong serves throughout the ten game season. Setters Clarke and Reed were productive and allowed hitters Banck, Esposito, and Kangas to spike their way to victories for the team. The fairly young team has a high amount of talent and it should be an impressive season for the Lady Spikers in the fall.

Men's Cross Country

The 1982-83 school year was to be the year of continuing improvement for the Men's and Women's cross-country team. Having lost six seniors from last year's combined team left Coach Dick Fisher optimistic about the season. Unfortunately, the season finished on a sour note at the Division III New York Regional Championships. The men were led by Bob Brenner and finished 7th out of 14 teams. The women did not fare much better, They finished 6th out of 11 teams.

Men's Hockey

The 1982-83 Cardinol Hockey teom hos a new look this year. It has undergone tremendous change since lost year's NCAA Division II finale. The nine graduating seniors' players skill and leadership which helped bring the team to the National will be greatly missed.

Most important of all the changes is at the coaches position. Herb Hammond has moved up to Division I hockey with Brown University, after guiding the Cardinols to their best finishes in the school's history during the last two years.

Coming to us from the Midwest ond Lake Superior Stote College Division I program is the Cordinals' new cooch, Doug Kochorvich. Cooch Kacharvich hos his hands full os he must replace the offensive vacancies left by Gaeton D'Anjou, the school's all time leoding scorer, Pierre Brunet, second on the oll time list, and Dennie Poulin, seventh on the all time list. Former groduates Rick Young, Francois Bellefeuille, ond Claude Bourck were the key to last year's Cardinol Defense, but Kochorvich will have help from tricaptoins Chip Grabowski, Dove Rottroy, and Keith Wright. They will give Kachorvich all the information he needs on the Cordinal opponents. Tri-captoin Keith Wright is optimistic. He says the teom's style of ploy will be less offensively oriented, with the forwards coming bock to help on defense. Wright stated, "I think we will surprise people. We're a young team, a proud team, and we'll be more intense this

Men's Basketball

The 1982-83 season should be the year 1981-82 promised to be but wasn't — the year Plattsburgh State Basketball starts back on the road to respectability. While optimism runs high at the start of every new season, Cardinal fans have more than one reason to expect a good year.

One reason for optimism is the fact that the Redbirds lost only two seniors to graduation, Rod McCorvey and Tom Curle. Leading the eight veteran "Hoopsters" are senior tricaptains Paul Glodis, Bill Stevens, and Steve Holmes.

A second season for great expectations is the talent of newcomers to the Redbird team. Forwards Jim Hogan and Jim Manatis, and guards Jeff Law and Pat McGinn are expected to have quite an impact on the Plattsburgh State turnaround.

A third and possibly greatest reason for optimism is the team's performance against the Polish National team. Plattsburgh lost the exhibition contest, 63-62, but gave ample evidence that conference and non-conference foes alike will have their hands full with the 1982-83 Cardinals.

The tempo of the Redbird team will be the same as last year's; with a lack of overall height and speed, the club must patiently execute its set plays designed by Coach Law.

Surprises may come for the schools facing the Cardinals, who, with another year of experience behind them and a stronger line up this year, are set to break the .500 mark for the first time in three years.

Women's Basketball

The 1982-83 Ladies Basketball team has acquired some offensive punch in the form of six new recruits. "This is the most talented team we've ever had at Plattsburgh State," commented coach Phoebe Sturm. This year's team seems to be equipped with the strength and depth to build a winning season. The Lady Hoopsters have attained a 9-12 mark the past two seasons and are looking to penetrate that elusive .500 barrier, at the very least. The depth is present, but it will be coach Sturm's mission to find that particular combination.

Men's Swimming

The 1982-83 Men's swim team hopes to have a successful season. Coach Dave Robertson is replacing 3 graduating seniors from last year's squad with a large group of incoming freshmen and transfers. This year's squad totals 21 swimmers and 2 divers as compared to 16 on last year's team. Leading the Cardinals are senior co-captains Dave Trott and Kevin Vallely. The Cards hope to improve over last year's 4-5 record. Coach Robertson will be assisted by Richard Darby and Laurie Montgomery.

Women's Swimming

The 1982-83 Women's swim team is a much larger version than last year's squad. This year's team features 27 swimmers and 4 divers. Leading the way this year is returning co-capt, Ellen Hoch and senior Linda Minor. A host of promising newcomers this year should help to improve last season's 1-10 record. Despite losing six graduating seniors from last year, Coach Robertson is still optimistic and is hoping for a .500 season. This year Robertson will be assisted by Lisa Walls, a former All-American at San Francisco State and Laurie Montgomery from Cortland State.

Acrotheatre

The tremendously successful background of Acrotheatre began with Coach Beyer back in 1949 at the University of Chicago. The formula of success was brought to Plattsburgh by "Coach" and has remained here. For the 19th year in a row, the show must go on!

It's lights, make-up, music, and much more which enhance acts including anything from gymnastics, dance, juggling, and trampoline, to acting, comedy, karate, and skate boarding. Exercise, hard work, practice, determination, and dedication all play a major role in combining one smooth and spectacular show each year.

Acrotheatre is not only exercise and fun, but exciting and challenging too! It has an excellent reputation for friendly and supportive people in a relaxed and comfortable atmosphere. It has been said by many that Acrotheatre will be one college experience they will never forget.

We hope you have enjayed your journey through this book. We have attempted to capture as many of the aspects of college life here at Plottsburgh State as you have experienced. Four years of college pass quickly, soon you will be experiencing new life styles, making new friends, and traveling to new places, seeing new faces. When you leaf through the pages of this book, we have that the years, the faces, the friends and the places are once again recreated in your memories. Enjay these memories, may they last forever.

TM.

The final pages have been layed out, the last phata cropped and the last page of capy typed. This may be the most difficult time af all. Waiting . . . Wondering if the book will turn out the way we have planned it. Proofs will be checked and corrections will be made but there will still be some anxious moments until that first copy of the book is opened and read. Those first impressions will be crucial! Not the impressions of those who worked on the book, but those of the first student, then all those who look at and read the 1983 issue of the Cardinal. It's for you that we have produced this book. We hope you enjoy it.

If we have succeeded in capturing those special moments, those familiar faces and often visited places then we will have accompolished our task. It is our intention that this baak became a momenta that you will be able to take with you when you leave Plattsburgh, and will

serve as a reminder of those formative years so frequently refered to as our "callege days".

There is not enough room on this page to even begin to thank all those people who have contributed to the production of this book. To my staff I wish to convey my deepest appreciation. Without your help and support this book would have never materialized. I would like to extend special thanks to the staff and residents of Banks Hall for being so patient with me during the hectic days that it took to put this book together.

To Joe, thanks for being sa suppartive, as only a true friend can be.

To Gary Gold and Bill Sloan of Delmar Publishing Co. thanks for having the confidence in me to get the job done.

To Cardinal Points and Bill Jones in particular, thanks for your cooperation in obtaining prints.

To Bill Crosby and Robin Brown, thank you for all your help in allowing us to use the darkroom and praviding us with prints. To Al Montanaro for allowing us the freedom to put together a book that we feel represents the student body of this campus. I could go on and on . . . there are so many who have helped!

To all of you, THANK YOU!

Sincerely yours,
